Medfield High School

With These Hands ...

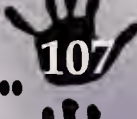

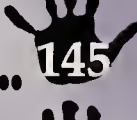

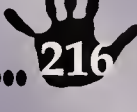

Every day, our hands guide us to touch the untouchable, accomplish the impossible, and create the unforgettable. In past years, we have done just that, thus making a unique contribution to those around us. Each crease in our hands represents a part of us; each scar represents a story from our past. We may not realize it, but our unique hands have all grown significantly from our time spent together. From this, we have become the individuals that we are today.

We created the paths behind us; what was cannot be changed. What will be lies in the hands and in the hearts of the students of Medfield High School. As we brace ourselves for the future, we will remember the hands that helped us arrive where we are and the lessons we have learned. Applying those lessons, we can accomplish anything we wish, and we must always remember to carry with us the memories of our friends, teachers, and peers in the palm of our hand.

With that in mind, good luck to everyone, no matter where your hands guide you.

Julie Tafolla, Brittany Miller, & Marigny Mulock*

Gotta Hand it to Them!

With These Hands

By Ali Grant and Marigny Mulock

With these hands we have colored in many faces of the letter people.

With these hands we have perfected the art of tracing dotted lines while learning how to write.

With these hands we have held up the letters spelling supercalafragolisticexpialidocious.

With these hands we have thrown tennis balls at our best friends during a game of wall ball.

With these hands we never let go of the tug-of-war rope as we were dragged into the pit of mud.

With these hands we threw cake at our friends in celebration of our D.A.R.E. graduation.

With these hands we held on to our books tightly as we walked past the frightening eighth graders.

With these hands we touched the base of the Statue of Liberty.

With these hands we held on for dear life on the rides at Canobie Lake Park.

With these hands we wiped the sweat off of our brow while competing for a varsity spot during double sessions.

With these hands we created the stage on which we performed.

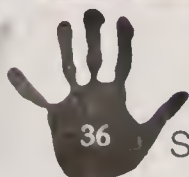

With these hands we held on to our licences, endangering everyone on the road.

With these hands we danced the night away at prom.

With these hands we held on to our diplomas as we graduated from Medfield High School.

With these hands we open the door to our future.

With these hands...

Forever Lending a Hand

"Nothing great was ever achieved without enthusiasm."
- Ralph Waldo Emerson

Even as a young girl, Ms. Scharak was destined to become a teacher. It all began while little Ms. Scharak took the role of "I'm the teacher, you're the student," while playing school with her sister, who grudgingly complied to her pretend lessons. By the eighth grade, Ms. Scharak was in love with foreign languages. Ms. Scharak continued her studies at the State University of New York at Buffalo where she majored in French, as well as minored in Spanish and education. She

received her masters in French at Boston University, and since then she has been teaching in the Medfield School system for thirty-five years. She has taught every French class imaginable, along with a few Spanish classes, including French I, II, III, IV, V, and Spanish I and II.

The thing that Ms. Scharak will remember most from Medfield High School is "the joy of seeing that light go on in children's faces when they got something." Ms. Scharak says that being with kids makes her stay young, "your energy energizes me." The most memorable experience that Ms. Scharak had while at Medfield High School was when she sang at the winter concert, and after she finished all the kids went crazy. She said that it made her feel happy, proud, and connected to the students when she shared her gift of singing.

The word "retirement," to Ms. Scharak does not mean to slow down for sure! She loves helping others so much that she plans to work part-time, substituting, or teaching the elderly. Traveling is also going to be a huge part of her retirement. She plans to travel to Europe, Hawaii, China, Japan, and the Mediterranean. She also would like to spend her winters in warm, sunny Florida with her mother and sister. Ms. Scharak plans to do all of the things that she has put off, including singing, learning Italian, playing the piano and guitar, painting, sculpting, joining book clubs, interior decorating, and swimming. She says that she will definitely enjoy the fact that she can now go shopping on weekdays, have lunch with friends, stay up late watching T.V, and finally have no more papers to correct!

Ms. Scharak sincerely states, "I did my best to share what I love with them [the students] in the hopes that they would learn to love it too and to always remember that they learned a great deal from me." Her priority was to install the idea of being a "lifelong learner" in her students. The one thing she would like to give as advice to all the students, especially seniors is, "be true to yourself and your ideals" and, "having an effect on the world in some small thing you do is better than making a lot of money. Leave the world a better place than it was."

Although Ms. Scharak will miss us very much, she is looking forward to her retirement. She says that this is a bittersweet time for her, because the Medfield High School community has become her extended family. Ms. Scharak says that the time flew by and she will always remember her time at Medfield High School. We all wish Ms. Scharak the best of luck in her retirement. Au revior, adios, and bye!

W A V I N G G O O D B Y E

For over three decades, there has been a teacher who has always brought a smile to his students' faces. His warm personality and wonderful sense of humor has been an asset to the Medfield High School community for so many years. He came to Medfield in 1971 and has since taught practically every English course the school has to offer: 10th grade Humanities, 11th grade American Literature, and 12th grade British Literature. This teacher is, of course, the one and only Mr. Azer!

Before Medfield, Mr. Azer worked as a journalist for various newspapers. He attended Northeastern University, where he obtained his Bachelor of Arts in English and Journalism. Later, Mr. Azer acquired his Master of Science in Journalism from Boston University and his Master of Education in Counseling from Northeastern University. At MHS, he was adviser to the school newspaper and yearbook for twenty-five years, as well as being on the Board of Directors for the Norfolk County Teachers Association for twenty years. In 1985, Mr. Azer was named President of this association.

Being a teacher has allowed Mr. Azer to pursue summertime travel with his wife. Traveling to other countries is his true passion. The most rewarding part for Mr. Azer has been when his students have succeeded and done well. "I get a lot of pleasure out of that," he said. When asked what his most memorable experience is from MHS, Mr. Azer mentioned the time when his senior class of 2003 cooked him a full course dinner the day before he was going in for back surgery. This really meant a lot to him!

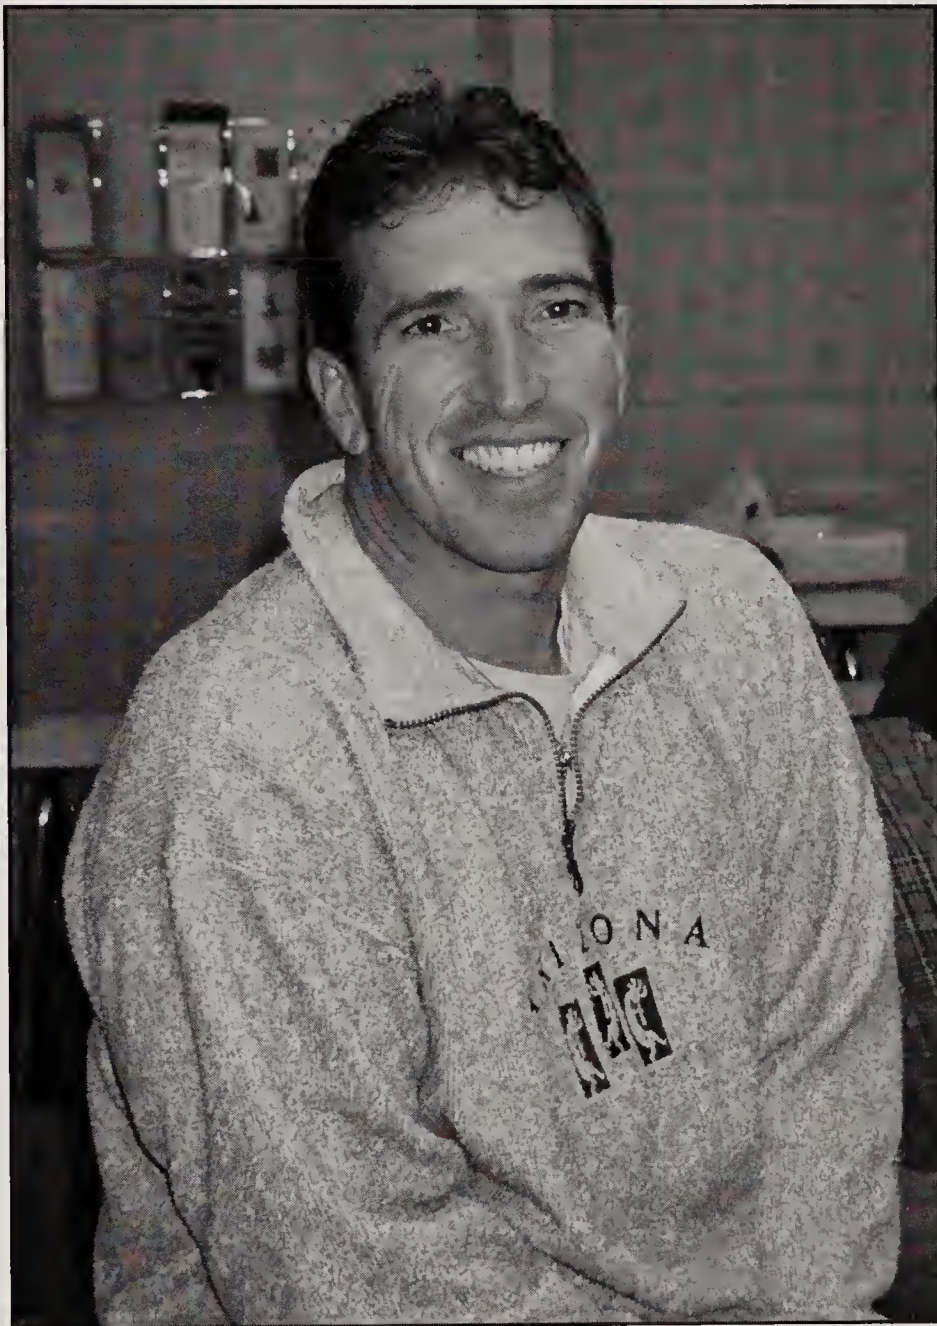

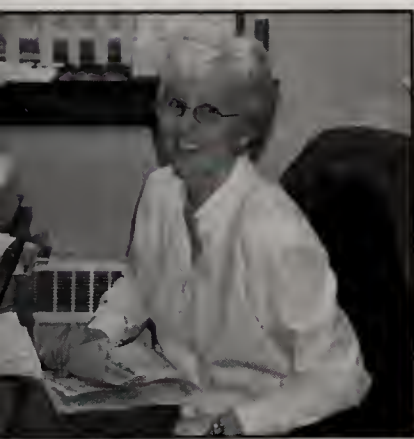

Mr. Azer said that what he is going to miss the most about Medfield High are the teachers, who have become like friends and family to him, and the students, with whom he really enjoys teaching and working. When asked if he had any "words of wisdom" to share with his senior students, he said that they need to remember that whatever they do in high school is going to affect the rest of their lives.

What does Mr. Azer hope that his students will remember about him? "Well, of course," he said, "my sense of humor. You really have to make class fun!" After retiring this June, Mr. Azer plans to look for a new career, perhaps becoming a newspaper correspondent. Most of all, he looks forward to spending quality time with his grandchildren.

MHS would like to thank Mr. Azer for all of his hard work and dedication. He has been a vital part of the Medfield High School community for thirty-three years and will be missed by all. His jokes and laughter have always been there to brighten up everybody's day. The senior class of 2004, the faculty, and the entire student body of MHS would like to wish Mr. Azer much luck and happiness in the future. And of course, don't forget to come back and visit!

A Vocal Touch

Concert Choir

Once again, the Concert Band, Concert Choir, Jazz, Ensemble I and II, Jazz Choir, and Orchestra had an extremely successful and fun-packed year. The Concert Band, conducted by Mr. Olsen, opened the year by playing at the many Warrior football games, along with the Thanksgiving Day game. Although the band often experienced chilly Friday nights, their upbeat music and school spirit led the football team to numerous wins. The awesome pep-rally also started with the band playing the National Anthem, and the entire school got into the mood, wearing blue and white Warrior shirts donated by Boosters. Further, the band led students through lots of assemblies throughout the school year, and their music was always uplifting and cheerful. Both the Christmas and Memorial Day Parades were filled with the band's wonderful melodies, as well. And the winter musical, "The Pajama Party," would not have been such a hit if it were not for the dedicated Pit Band who accompanied the singers in the show. The students at the other Medfield Schools were lucky enough to watch the band in a live performance at their own assemblies. Along with the Jazz Ensembles, the Concert Band had another wonderful evening at their annual "Jazz Night" concert, where they performed various jazz songs and had a quest jazz artist who attended.

The Orchestra, led by Ms. Farley, was offered the opportunity once again to play at the Breaker's Mansion. They also filled the hearts of many patients at Children's Hospital with joy when they serenaded them with beautiful tunes.

The Concert Choir, led by Ms. Wroten, along with the Concert Band, Orchestra, Jazz Choir, and Jazz Ensembles, performed at the winter, mid-winter, and spring concerts at the high school; and the infamous "Spaghetti with Santa" was, as always, a huge success. All of the musicians had a blast on their music trip, where they competed against other schools. In the spring, Medfield left MICCA loud and proud after winning excellent awards for their musical achievements. The music program finished off their year with the annual "Pop's Night," which was the senior's last performance. Thus, the Medfield High School Music Department had another thriving year, filled with hard work, dedication, and many victories!

Amnesty International

Reaching Out To Save Lives

This year's Amnesty International Organization was, once again, a committed group of students. By writing letters to governments all around the world, as well as to our own president, they ably fought for human rights by making their voices heard. They were truly a voice that spread awareness of human rights violations around the world and taught the ways to protest such violations. President Caitlin Curran, Vice President Michael Schiemer, and Urgent Action Coordinator Zoe Samels led the organization, which was advised by Mr. Stockbridge.

Handling the Big Stuff

Several students and Mr. Gibbs make up the Advisory Committee. Together, they work on various issues involving schoolwide topics. Student Council

Helping Hands

This year proved great for the Student Council. They started off by remembering 9-11 with red, white, and blue carnations surrounding the flagpole. All of the money raised went to the local fire department. They continued their annual Homecoming Pep-rally with many laughs. Teacher impersonations, pickle spits, and stuffing players were just some of the games that had the crowd roaring. Penny Wars accompanied the pep-rally, which raised over \$500 that was donated to the Medfield Food Cupboard. They ended the week with a bang, hosting the exhilarating Homecoming Dance, along with many others throughout the year. Ping Pong tournaments at MHS have started thanks to Student Council's pleasure to please the student body! Yes, 2004 was a terrific year for Student Council with much thanks to our advisor Mr. DeSorgher.

Comedy Improv

Grab the Mic

Comedy Improv, a motley group, meets to develop their dramatic skills in the art of improvisation. The group is open to anyone who wishes to attend. Their "just have fun" mentality creates a great atmosphere that allows students to take risks in a safe environment. Aaron Corkhum was eager to explain, "The great thing about it is that it's never the same thing twice...obviously. Many of the talented members also belong to Drama.

Not without their incredible new yearbook supervisor, Mrs. Monroe, could the job have been finished. Drama

Give 'Em A Hand

The Drama Society continued to be a success, growing and welcoming new members this year. "Drama is a great opportunity to express yourself and put on a show with a great group of people," said Marissa Bognanno.

The fall play, "The Man Who Came to Dinner, drew quite a crowd with Evan Hatten as the sarcastic Sheridan Whiteside. The winter musical featured the acting, singing and dancing skills of Marissa Bognanno, Meghan McGrath, Alicia Mauro, Andrew Short, and Dylan Smith in "The Pajama Game," a fun tale about a pajama factory in the 1950s.

President of the Drama Society, Alicia Mauro, Vice Principle Marissa Bognanno, Secretary Meghan Sutton, and Treasurer Caitlin Curran worked closely with Director Mr. Mandosa and Assistant Director Mrs. Hatem to pull off an amazing year of shows.

Art Club

Handful of Colors

Art Club, advised by Mrs. Tobaisson, is an after school activity where skill is not necessarily a factor. All students are welcome to attend. Attendance is flexible to accommodate sports, music, and drama schedules. Students do a variety of art projects anywhere from drawing, sculpting, painting, or trying new media. Kristen McDonald remarked "Art is a great way to unwind. You can just sit back, listen to pleasant music, and draw whatever comes to mind. It's quite soothing."

A Hand In Everything

Life Smarts is a club that teaches teens to be smart, responsible consumers and citizens. The students study five areas of consumer knowledge: Personal Finance, Health and Safety, Environment, Technology, and Consumer Rights and Responsibilities. The competition that the club competes in is similar to a game show of three rounds. The first round contains individual questions, the second contains team questions, and the last round is the buzzer round. The National Consumers League provides the questions, and the competition is held each year at the Federal Reserve Bank of Boston. This year's competition took place on March 11th.

Peer Leadership

Reaching Out

Peer leadership is an organization made up of high school students who work with other students, along with the surrounding community. This program of peers helping peers involves projects such as the fish game at Medfield Day, peer matches, and the holiday toy drive for the Home for Little Wanderers. In addition to these endeavors, peer leaders are trained to deal with many different issues that may affect students at MHS, such as substance abuse prevention, violence prevention, eating disorders, self esteem, and depression. This year peer leaders also assisted with the school's year long project involving Academic Integrity. Under the guidance of Dawn Alcott, the youth outreach worker in Medfield, Peer Leadership hopes to continue to be a success!

Jotting Down Emotions

Medfield High School's Literary Magazine is open to any ideas and anyone. Poems, short stories, pieces of artwork, and haiku's are submitted in the "magic purple box," found only in Mr. Heller's room. A plus for being a writer or artist is that it is your choice to announce your identity, or you can simply write "anonymous." After school, club members assemble in Mr. Heller's room to sort through the submissions and compile their top choices. Months later, with a beautiful cover shining on top, the M.H.S. magazine is complete. Sold for an extremely minimal price, the quality and amazing expressions that are received in return is well worth it. There are many hidden talents at Medfield High and the Literary Magazine is the detective that uncovers them.

Each week, students discussed a different situation. Some of the topics hit close to home while others involved political crises in third world countries across the world. The Politics Club is sure to stay at Medfield High School because its members will never lack a situation to talk about.

Equestrian

First Row: Jen Prelack, Amy Dolan, Katie Parker **Second Row:** Ian Costello, Meg Fisher, Laura Festa, Niegel Feldman-Greene

Taking the Reins

The 2003 to 2004 school year brought about many changes. One of Medfield High School's changes was the adoption of an Equestrian Club, advised by Mrs. Monroe. The group was an eclectic array of horse enthusiasts. Club members expanded their knowledge of horsemanship every week by traveling to Rising Star Riding Stables. They groomed, tacked, rode, and improved their overall understanding of the equine world. The member who started the club, Jen Prelack, said, "We wanted to bring an appreciation for equestrian to the school." So far, the Medfield High School Equestrian Club has been a great success, and they hope that the group will prosper throughout the following years.

To keep the club interesting, advisor Mr. DeSorgher proposes a variety of topics about which they debate. One member said that they have already debated about topics from politics to pop culture. The club's goal next year is to compete in a league.

Capturing Moments

The Photo Club is about taking pictures. We have a few assignments and discuss our pictures. We explore different ways to use the camera. Currently, the club is working toward a big bulletin board, and we're really showing that photography is a different kind of art form that we could use. We are improving our styles, creativity, and portraits with our pictures' personality.

Community Teens

Lending A Hand

Community Teens was founded last year under the leadership of Jen Sullivan. This year, the group worked on projects including making Thanksgiving food packages for under-privileged families in Boston, decorating teddy bears for the Salvation Army to distribute to needy children during the holiday season, and collecting slightly used prom dresses for high school girls in the city. The group has grown vastly with over twenty-five members this year, and it hopes to continue its success in the future!

The Medfield Warrior Football Team made its mark this year in the Tri-Valley League. They had a strong season, with the seniors having an equal partnership for holding a position as captain, but Mark O'Sullivan and Nate Mintz lead it. Hopkinton was one of the strongest teams in the league, until they lost to Medfield in one of the most memorable games for the team. The team thought the biggest challenge they had to overcome was adversity. The year was challenging, but they were able to beat Millis to stop a 9-year losing streak.

The team was great on both offense and defense, but leaders were clearly visible, some even as underclassmen. The defense had a large push from sophomore cornerback Matt Reardon, who led the team in interceptions. Kevin Lynch was a leader on the offensive side of the ball and led the team to several victories in the quarterback position. The team would like to thank the great coaches, and the seniors wish the following year's team the best of luck!

Team success was their goal this season and the warrior girls definitely scored! They started off the season with a 5-0 run, encouraged by their team mottos, "domination," and "never can, never will, can't hold us down." They finished the season 12-4-4. A big part of this team's success was due to their second-year coach Kristen Smith, who dedicated her time and energy to their success. They were also led by tri-captains Kath Typadis, Ali Grant and Jenn Matson, along with fellow seniors Victoria Aviles, Kate Goltz, Sarah Stryjewski, Jackie Wade, Christie Majkut, Megan Scheld, and their goalie Kelly Quinn; and of course their beloved manager Chris Clair. Seniors Jenn Matson, Kate Goltz, and junior Steph Pickering were named to this year's second team all stars. Kathleen Typadis was named to first team along with Jackie Wade and Ali Grant, who were also named Eastern Massachusetts all stars. Like a family, the girls filled their season with team dinners full of pasta, desserts and inside jokes. They also bonded on a pre-season white water rafting trip and were always ready to play, thanks to inspirational pre-game quotes and a National Anthem by Steph Pickering. Congratulations on a great season girls!

The Warrior Boys' Varsity Soccer Team gave it all they had this fall, but they came up short on tournament by two games. Coach Tucker Reynolds' squad ended the season with a disappointing 5-9-4 record, landing them in 6th place in the Tri-Valley League. The Warriors started off with a bang at 3-0, then ran into some trouble and struggled most of the season. One of the team's bright spots was keeping the Watt Cup at home by tying the Dover/Sherborn Raiders 0-0 in a defensive battle.

Senior co-captain Dan Shuman had a strong year between the posts, and co-captain Alex Monahan roamed the field, making his presence known as a leader. Senior Tom Burkhart guided the charge on the offensive side, leading the team in scoring. Other seniors, such as Greg Skerry, John Hanson and Kendall Montgomery, also contributed a great deal to the team's success.

The team would like to give its congratulations to junior Alex Hinga for making Tri-Valley All-Star and to senior Dan Shuman for making Tri-Valley and Eastern Massachusetts All-Star. The senior crew would like to wish next year's team good luck and say thanks for all the good times.

Adrena Altoonian

"We had a great season this year, and we really came together as a team. We all knew each others' styles and read every move we made. Good luck next year as defending TVL Champs!"

The Warriors Medfield Field Hockey Team finished with another outstanding season, taking on the title of the Tri-Valley League Champions for the second year in a row. Led by their new coach, Jen Carey, tri-captains Adrena Altoonian, Jess Egan, and Marigny Mulock, along with nine other seniors, the girls had the drive and heart to lead their team towards success. After beating long-time rival Bellingham, the girls knew that they could accomplish anything. They were placed into tournament at the eighth seed and first had a bye. They then took on the ninth seeded team of Mashpee. Medfield played their hearts out, but unfortunately they lost in a suspenseful triple overtime over strokes. The girls' hard work and dedication paid off, and they ended up finishing with a record of 10-4-2.

Captains Adrena Altoonian and Marigny Mulock were named first team All-Stars. Senior Ashley Craig received an honorable mention, and Captain Jess Egan received the Loretta Fahey Award. The seniors would like to thank their coaches, parents, and fans for all of their support these past four years and wish the girls good luck next year!

The Medfield Warriors Hockey Team had another strong and exciting year. Although they had a slippery start, they came together to have a great season. Coaches Panciocco, Fratillio, and Woods must have had a tough time putting their starting lines together, not having many defensive players. They used their hockey intelligence and brought back Nick Falco to defend the net with Kevin Louttit and Tony Centola. The team's offense put on an amazing show every time they touched the puck. Captains Charlie Cataldo and Ryan O'Rourke's stick handling and speed led the team to many victories. The squad would have had a tough time without anchorman and four-year goalie, Brad Garnett. Next year, the team hopes to improve their skills and win the TVL Championship.

The team was led by senior tri-captains Kate Goltz, Jackie Wade, and Lindsey Woodhull. Seniors Katie Berlent, Christy Birkett, Jess Egan, Alison Martin, Christie Majkut, and Jess McCann played a huge part in leading the underclassmen, as well.

Being well-rounded in distance, sprints, hurdles, and field events, the girls' track team ended their season as one of the top teams in the TVL with a record of 5-1. The girls endured a difficult loss to their number one rival Hopkinton, but anticipate a second chance in the spring.

Ali Grant

"Do you remember why you play or has it been too long? Is it because you've worked so hard to get where you are, or because you love to be part of a team? Somewhere behind the athlete you've become, and the hours of practice, and the coaches who have pushed you, and the teammates who have believed in you, and the fans who have cheered for you, is that little girl who shot a ball- the one who fell in love with the game and never looked back. Play for her. Thank you for making this season unforgettable! I love you guys and will miss you all. Good luck next year!"

Jenn Matson

"It's not who jumps the highest- it's who wants it the most. Great season girls, Dream Team! I love you and Good Luck next year."

The warriors started out their season with a 6-0 run. Their most memorable win was their 6-point victory over the TVL reigning champ, Westwood. This proves their slogan, 'every point counts,' true. Taking the floor for the warriors this season was senior tri-captains, Jenn Matson, Ali Grant, and Sarah Stryjewski. Joining them was senior Kathleen Typadis and junior Jill Anelauskus. They were led by their experienced father-daughter duo of Jack Dunn and Meredith Miller. Beside them on the bench was first-year Medfield coach Mark Nickerson and manager Liz Nugent.

Going into the season, the team understood that the TVL would be a tough league this year, and members would have to play every game hard by tough defense and few turnovers. They got ready for their games by reading pre-game quotes, kissing the fire alarm, and creating team and individual goals. The team would like to thank their faithful fans and parents for their support, and the seniors would like to wish the team good luck next year. Let's Go Blue!

Led by coach Carol Bauer and captains Robin Bauer and Molly Zuccarini, the team proved one of the best in the Dual County League.

The DSM Boys' Team ended their season with a record of 3-8. However, three of their losses only had a two-point spread. Junior captain Matt Puder and many others produced excellent performances.

Alison Martin

Alison,

You see yourself as the middle child, but you are really the center of our world. Since the day you were born, you have brought laughter and excitement into this family. Now it is time to live out those words you danced to as a little girl not too long ago:

"Now I can walk
Now I can run
Now I can stay
All day in the sun
Just you and me
And I can be
Part of your world."
-Little Mermaid

Take on the world, Alison. Make it your own. And thank you for blessing our world with your love, brilliance and strength.

With so much pride and ever more love,
Dad, Mom, Peter, and Thomas

Dedication to Mr. Keough

In the past, the yearbook has traditionally been dedicated to adults who have invested many years in Medfield High School. This year, the 2004 Senior class chose to exemplify the community's welcoming spirit by dedicating the yearbook to a new member of the school community.

Since the first day he stepped foot in Medfield High School, he has devoted himself to making the school community reach its full potential. As a result, he has quickly earned the respect and appreciation of the school community members. He invests time into many different areas, such as attending many extracurricular events, brainstorming the idea for the Warrior Pride t-shirts, and allowing senior bios to return. What has made him stand out the most is his devoted effort to connect with the student body. He is very approachable and listens to everyone's opinion. Although he has mountains of work waiting for him at his desk, he still takes the time to talk to students in the halls, the cafeteria, or even in class. He has brightened everybody's life with his friendly, sincere, and caring personality. He puts a smile on everyone's faces from faculty and students to parents.

His first graduating class is proud to dedicate the 2004 yearbook to our principal, Mr. Keough, for his unflagging devotion, incredible friendliness, and unbelievable effort and care that he shares with our school community. He deserves a big round of applause for his wonderful work as principle at Medfield High School. The Senior class is honored to be his first graduating class, and we wish him the best of luck in the future!

Waving Goodbye

"Celebrate we will
Because life is short but
sweet for certain."
-Dave Matthews

As the 2003-2004 school year concludes, many seniors will feel a strange bittersweet feeling that their high school experience is drawing to a close. They will feel relieved to never again have to go to bed at 6 o'clock after a day of double sessions, but remorseful that they will never again wrestle their best friends at a team dinner before the big game. They will be ecstatic to be finished with tech days, but forever miss the thrill of taking on a character in front of hundreds of people. Through Little League, in-town soccer, Nationality Day, the Mud Pit, Kids Night Out, Mr. Wiffin juggling our milk, and the Washington trip, the students of the class of 2004 have always been there for each other and were always ready to have some fun. We have gone from short, skinny freshmen to the enormous brutes you see stalking the football field and even the trumpet section. We have gone from choosing cheese or pepperoni at Wheelock to choosing just where we want to spend the next four years of our lives. Throughout all these trials and tribulations, we have undoubtedly grown together as a grade, always looking to make new friends and still keep the old. It is truly amazing to think that the smiling faces who needed little tags to remind them what bus they were on at Memorial are now obscured by beards and makeup. Our grade has certainly done its share of growing up, but, fortunately, it has never grown apart. As we leave one vital part of our lives behind us, it is imperative that we do not dwell on the past. Sure, Field Day and proms were fun, but more fun and success awaits each and every one of us in life. We must remember to always keep an open mind, keep our SOCS on, and proceed courageously into an exciting new world knowing that we are departing from what is simply the beginning of the unlimited possibilities and dreams that await us.

-Jack Pittenger
